

PRESS RELEASE

ART COMPETITION | 2018

CALL FOR ARTISTS:

The Art Flow Gallery in Paleochora, Crete, in co-operation with the Municipality of Kandanos-Selinou are delighted to announce the launch of a themed Art Competition and Exhibition:

PLASTIC, FRIEND OR FOE?

WHAT IS YOUR CREATIVE RESPONSE?

It is hard to imagine life without plastic. Because of its low cost, ease of manufacture, versatility and impermeability to water, it is extremely popular and useful. Plastic has helped to make life easier for many of us on the planet. The problem, however, is that when we have finished using our plastic products, they invariably end up polluting land, fresh water bodies and oceans.

1st Prize € 500

Submitting Artists are completely at liberty to submit Artwork not directly related to this year's theme. The competition is open to artists Internationally.

Closing date for submissions, April 15th

Finalists Exhibition, 12th May

Closing Night and Prize presentations by the Mayor, 20th May 2018

Finalists exhibition runs from May 12-20 at Art Flow Studio Gallery, Port/Limani, Paleochora
